Retail Installment Contract Dated: _____

I am entering into the Retail Installment Contract referenced above (“The Retail Installment Contract”) in connection with the purchase of a vehicle from the Seller named above. I affirm and represent that the following statements concerning the purchase of this vehicle as described in the Retail Installment Contract are true:

- ___ 1 I have been given the opportunity to read the Retail Installment Contract, completely filled in, and to ask any questions I have concerning the contract or this document.
- ___ 2 I confirm that the cash price of the vehicle is as stated in the Retail Installment Contract. I represent that I was not quoted a lower cash price for the automobile and that the cash price was not increased because I would be purchasing the automobile on credit. I represent that the consideration charged is a fair and reasonable price for the vehicle.
- ___ 3 I understand that the seller has the option and the right to sell and assign my Retail Installment Contract to Barnett Finance Company for a discounted amount. I understand that this means that Barnett Finance Company may purchase my Retail Installment Contract from the Seller for an amount, which is less than the amount of credit provided to me or on my behalf of the Seller. I further understand that the sale and assignment of my Retail Installment Contract at a discount will not relieve me of any obligations under the Retail Installment Contract nor will it alter any of those obligations except as to the place where payment is to be made.
- ___ 4 I understand that I am not required as a condition to the extension of credit to purchase credit insurance, service or warranty contract, motor clubs, GAP protection, or other ancillary products which may be shown on the Retail Installment Contract. If the Retail Installment Contract contains charges for any such products, I have voluntarily agreed to buy them and I understand that I am paying retail price for them and that the Seller or others may profit from their sale.
- ___ 5 I understand and agree that if payments are past due that Barnett Finance Company has the option and right to repossess my vehicle at any time with out prior notification. I recognize and agree that wholesale or dealer only auctions are a usual manner of sale of repossessed motor vehicles and that such sale is in conformity with the reasonable commercial practices among dealers in repossessed motor vehicles. I agree that disposition of collateral at regularly held public auctions, private dealer-only auctions or other regularly held restricted-entry auctions for goods of the kind is a commercially reasonable manner of disposition, but recognize and agree that sale or disposition may be by other means, public or private at your discretion, as permitted by the UCC or other applicable law. Further, if prior notice to me of a sale or intended disposition of the collateral is required, then I agree that such notice in the statutorily suggested form and sent by regular first class mail, registered mail or certified mail to my address as listed on this document or, if I have provided you with an authenticated change of address, to the last authenticated change of address you received prior to the notification date, shall be commercially reasonable notice if sent ten (10) days prior to disposition. I recognize and agree that the sale or disposition of collateral made with such disclaimer of warranties as is permitted by the UCC or other applicable law is commercially reasonable.
- ___ 6 I understand and agree that Barnett Finance Company may have a collection and/or recovery device installed on the vehicle I have purchased and that the device must remain on the vehicle until my contract is paid in full. I also understand and agree that when my contract is paid in full that Barnett Finance Company is responsible for the costs of the removal of the payment protection device. In addition I agree to assist Barnett Finance in the removal and return of this device or pay \$300.00 for the device.

- ___ 7 I understand and agree that I have thoroughly inspected and I am fully satisfied with the vehicle. I also understand and agree that Barnett Finance Company is not responsible for any repairs, maintenance, taxes or additional liens placed on the title to the vehicle.

- ___ 8 I understand and agree to make the first payment no later than five (5) days past my due date. I further understand and agree that if payment is not made on time my account will be considered in default and transferred to the collections with repossession orders.

- ___ 9 I understand and agree that I am required to have full coverage insurance on my vehicle at all times. I agree that Barnett Finance Company, P.O. Box 15906, Savannah, Ga 31416 will be listed as the lien holder and that the comprehensive and collision deductibles will not be more than \$500.00 each. Failure to do so may result in repossession of the vehicle.

- ___ 10 I understand and agree that Barnett Finance Company or an authorized agent may contact my employer for the purpose of confirming my employment status, location or for assisting in collecting in the event I default on the above mentioned contract that I have signed.

- ___ 11 I acknowledge that I have received and read this document before signing the Retail Installment Contract and that this document and Retail Installment Contract has been completely filled in before I signed them.

- ___ 12 I understand and agree that it is mandatory to report to Barnett Finance Company Inc. any and all changes pertaining to phone numbers, address, jobs, insurance and neglect to do so could result in default of contract.

**ADDENDUM TO RETAIL INSTALLMENT CONTRACT
ARBITRATION AGREEMENT**

In this Amendment to Retail Installment Contract – Arbitration Agreement, the term “you” refers to the buyer or buyers who sign below. The terms “we,” “us” and “our” refer to the seller, who signs below and the assignee of any such person. By agreeing to arbitrate, you and we give up some rights, including the right to go to court and the right to a jury trial. By signing this agreement, you acknowledge and agree that any and all loans originated by Barnett Finance Company Inc are covered under this agreement.

WAIVER OF JURY TRIAL AND ARBITRATION PROVISION: Arbitration is a process in which persons with a dispute (a) waive their rights to file a lawsuit and proceed in court and to have a jury trial to resolve their disputes; and (b) agree, instead, to submit their disputes to a neutral third person (an “arbitrator”) for a decision. Each party to the dispute has an opportunity to present some evidence to the arbitrator. Pre-arbitration discovery may be limited. Arbitration proceedings are private and less formal than court trials. The arbitrator will issue a final and binding decision resolving the dispute, which may be enforced as a court judgment. A court rarely overturns an arbitrator’s decision.

THEREFORE, YOU ACKNOWLEDGE AND AGREE AS FOLLOWS:

1. For purposes of this Waiver of Jury Trial and Arbitration Provision (hereinafter the “Arbitration Provision”), the words “dispute” and “disputes” are given the broadest possible meaning and include, without limitation (a) all claims, disputes, or controversies arising from or relating directly or indirectly to the signing of this Arbitration Provision, the validity and scope of this Arbitration Provision and any claim or attempt to set aside this Arbitration Provision; (b) all federal or state law claims, disputes or controversies, arising from or relating directly or indirectly to this Written Disclosure Ticket (including the Arbitration Provision), the information you gave us before entering into this Written Disclosure Ticket, any past agreement or agreements between you and us and/or any extension or continuation of this Written Disclosure Ticket pursuant to O.C.G.A. §44-12-130 et seq.; (c) all counterclaims, cross-claims and third party claims; (d) all common law claims, based upon contract, tort, fraud or other intentional torts; (e) all claims based upon a violation of any state or federal constitution, statute or regulation; (f) all claims asserted by us against you, including claims for money damages to collect any sum we claim you owe us; (g) all claims asserted by you individually against us and/or any of our employees, agents, directors, officers, shareholders, governors, managers, members, parent company or affiliated entities (hereinafter collectively referred to as “related third parties”), including claims for money damages and/or equitable or injunctive relief; (h) all claims asserted on your behalf by another person; (i) all claims asserted by you as a private attorney general, as a representative and member of a class of persons, or in any other representative capacity, against us and/or related third parties (hereinafter referred to as “Representative Claims); and/or (f) all claims arising from or relating directly or indirectly to the disclosure by us or related third parties of any non-public personal information about you.

2. You acknowledge and agree that by entering into this Arbitration Provision:

a. **YOU ARE WAIVING YOUR RIGHT TO HAVE A TRIAL BY JURY TO RESOLVE ANY DISPUTE ALLEGED AGAINST US OR RELATED THIRD PARTIES:**

b. **YOU ARE WAIVING YOUR RIGHT TO HAVE A COURT OTHER THAN A SMALL CLAIMS TRIBUNAL, RESOLVE ANY DISPUTE ALLEGED AGAINST US OR RELATED THIRD PARTIES, AND**

c. **YOU ARE WAIVING YOUR RIGHT TO SERVE AS A REPRESENTATIVE, AS A PRIVATE ATTORNEY GENERAL, OR IN ANY OTHER REPRESENTATIVE CAPACITY, AND/OR TO PARTICIPATE AS A MEMBER OF A CLASS OF CLAIMANTS, IN ANY LAWSUIT FILED AGAINST US AND/OR RELATED THIRD PARTIES.**

3. Except as provided in Paragraph 6 below, all disputes including any Representative Claims against us and/or related third parties shall be resolved by binding arbitration only on an individual basis with you. **THEREFORE, THE ARBITRATOR SHALL NOT CONDUCT CLASS ARBITRATION; THAT IS, THE ARBITRATOR SHALL NOT ALLOW YOU TO SERVE AS A REPRESENTATIVE, AS A PRIVATE ATTORNEY GENERAL, OR IN ANY OTHER REPRESENTATIVE CAPACITY FOR OTHERS IN THE ARBITRATION.**

4. Any party to a dispute, including related third parties, may send the other party written notice by certified mail return receipt requested of their intent to arbitrate and setting forth the subject of the dispute along with the relief requested even if a lawsuit has been filed. Regardless of who demands arbitration, you shall have the right to select either of the following arbitration organizations to administer the arbitration: the American Arbitration Association (1-800-778-7879), <http://www.adr.org> or National Arbitration Forum (1-800-474-2371) <http://www.arbforum.com>. However, the parties may agree to select a local arbitrator who is an attorney retired judge, or arbitrator registered and in good standing with an arbitration association and arbitrate pursuant to such arbitrator’s rules. The party receiving notice of arbitration will respond in writing by certified mail return receipt requested, within twenty (20) days. If you demand arbitration, you must inform us in your demand of the arbitration organization you have selected or whether you desire to select a local arbitrator. If related third parties or we demand arbitration, you must notify us within twenty (20) days in writing by certified mail return receipt requested of your decision to select an arbitration organization or your desire to select a local arbitrator. If you fail to notify us, then we have the right to select an arbitration organization. The parties to such dispute will be governed by the rules and procedures of such arbitration organization applicable to consumer disputes, to the extent those rules and procedures do not

- contradict the express terms of this Written Disclosure Ticket or the Arbitration Provision, including the limitations on the arbitrator below. You may obtain a copy of the rules and procedures by contacting the arbitration organization listed above.
5. Regardless of who demands arbitration, we will advance your portion of the expenses associated with the arbitration, including the filing, administrative, hearing and arbitrator's fees ("Arbitration Fees"). Throughout the arbitration, each party shall bear his or her own attorneys' fees and expenses, such as witness and expert witness fees. The arbitrator shall apply applicable substantive law consistent with the FAA and applicable statutes of limitation and shall honor claims of privilege recognized at law. The arbitration hearing will be conducted in the county of your residence, or within 30 miles from such county, or in the county in which the transaction under this Written Disclosure Ticket occurred or in such other place as shall be ordered by the arbitrator. The arbitrator may decide, with or without a hearing, any motion that is substantially similar to a motion to dismiss for failure to state a claim or a motion for summary judgment. In conducting the arbitration proceeding, the arbitrator shall not apply any federal or state rules of civil procedure or evidence. If allowed by statute or applicable law, the arbitrator may award statutory damages and/or reasonable attorneys' fees and expenses. If the arbitrator renders a decision or an award in your favor resolving the dispute, then you will not be responsible for reimbursing us for your portion of the Arbitration Fees, and we will reimburse you for any Arbitration Fees you have previously paid. If the arbitrator does not render a decision or an award in your favor resolving the dispute, then the arbitrator shall require you to reimburse us for the Arbitration Fees we have advanced, not to exceed the Arbitration Fees you have previously paid. At the timely request of any party, the arbitrator shall provide a written explanation for the award. The Arbitrator's award may be filed with any court having jurisdiction.
 6. All parties including related third parties shall retain the right to seek adjudication in a small claims tribunal for disputes within the scope of such tribunal's jurisdiction. Any dispute, which cannot be adjudicated within the jurisdiction of a small claims tribunal, shall be resolved by binding arbitration. Any appeal of a judgment from a small claims tribunal shall be resolved by binding arbitration. Furthermore, nothing in this Arbitration Provision shall limit the right of you or jus (a) to foreclose against the motor vehicle by the exercise of any power under the Written Disclosure Ticket or under applicable law. (b) to exercise self-help remedies such as set off or repossession, or 9c) to obtain provisional or ancillary remedies such as pre-judgment, seizure of property, detinue, replevin, or injunctive relief, or to seek or obtain any other traditional equitable relief which does not claim money damages from a court having jurisdiction. The institution and maintenance by you or us of any action set forth in this Paragraph 6 shall not constitute a waiver of the right to submit any dispute to arbitration, including any counterclaim asserted.
 7. This Arbitration Provision is made pursuant to a transaction involving interstate commerce and shall be governed by the FAA. If a final non-appealable judgment of a court having jurisdiction over this transaction finds, for any reason that the FAA does not apply to this transaction, then our agreement to arbitrate shall be governed by the arbitration law of the State of South Carolina.
 8. This Arbitration Provision is binding upon and benefits you, your respective heirs, successors and assigns. The Arbitration Provision is binding upon and benefits us, our successors and assigns, and related third parties. The Arbitration Provision continues in full force and effect, even if your obligations have been extended or continued pursuant to O.C.G.A. §et seq., prepaid, paid or discharged through bankruptcy. The Arbitration Provision survives any termination, amendment, expiration or performance of any transaction between you and us and continues in full force and effect unless you and we otherwise agree in writing.

Barnett Finance Company Agreement to Provide Insurance

I understand that my installment contract requires my car to be continuously covered by insurance against the risk of fire, theft, and collision. I agree to maintain such insurance in the amount equal to the lesser of the unpaid amount under the contract or the value of the vehicle.

Failure to maintain insurance gives Barnett Finance Company the right to declare the entire unpaid balance immediately due and payable or obtain the insurance at my expense. I have arranged for the insurance through the agent or company as shown below. Barnett Finance Company will be the loss payee of the policy to the extent of the Banks interest. I further understand my maximum deductible will be \$500.00 or less.
